IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF MINIDOKA

A&B IRRIGATION DISTRICT,

Petitioner,

vs.

DAVID R. TUTHILL, JR., in his official
capacity as director of the Idaho Department of
Water Resources, and THE IDAHO
DEPARTMENT OF WATER RESOURCES,

Respondents.

CASE NO. 07-665

AFFIDAVIT OF DAN TEMPLE IN
SUPPORT OF BRIEF IN
OPPOSITION TO RESPONDENTS'
MOTION TO DISMISS

STATE OF IDAHO

County of Minidoka

DAN TEMPLE being first duly sworn on oath, deposes and says:

AFFIDAVIT OF DAN TEMPLE IN SUPPORT OF PETITIONER'S
BRIEF IN OPPOSITION TO RESPONDENTS' MOTION TO DISMISS

1. I am the Manager of the A&B Irrigation District ("A&B"), the Petitioner in the above-captioned matter. I am over the age of 18 and state the following based upon my own personal knowledge.

2. I previously submitted an affidavit in support of the *Petition for Peremptory Writ of Mandate*. This affidavit detailed the ongoing injury being suffered by A&B's landowners by the Respondents' failure to respond and deliver water to A&B's senior ground water right 36-2080.

3. A&B has no plain, adequate, and speedy remedy at law for the Respondents' failure to respond and deliver water to A&B pursuant to its senior ground water right 36-2080. My affidavit in support of the *Petition for Peremptory Writ of Mandate* details the ongoing harm and injury being suffered by A&B's landowners due to the Respondents' failure to respond and deliver water to A&B under its senior ground water right 36-2080. Filing a damages lawsuit against the Respondents is not a plain, adequate, and speedy remedy at law for A&B because the injury is ongoing and is likely to continue into the future unless the Respondents respond and deliver water pursuant to their statutory duties. In addition, I have been advised that the Director is immune from a damages lawsuit under Idaho Code § 6-904. Accordingly, it is difficult to determine the damages that will occur to A&B's landowners in the future if A&B cannot divert the water it is entitled to pursuant to its senior ground water right 36-2080 due to the shortage of water caused by junior ground water right holders.

4. In addition, the Respondents have failed to take any administrative action from which A&B could file a petition for judicial review. The Respondents have failed to take any

action in response to A&B's call in 2007 and have instead scheduled an administrative hearing that will not begin until March 2008, or the beginning of next year's irrigation season. A&B has no plain, adequate, and speedy remedy at law for arbitrary and unreasonably delays caused by Respondents.

5. I have reviewed the *Affidavit of David R. Tuthill, Jr.* that was filed in this matter. On July 26, 2007 Director Tuthill met with the A&B Board of Directors and myself at the district's main office located at 414 11th St., Rupert, Idaho.

6. Contrary to the Director's impression, the Board of Directors was not satisfied with the Director's response and proposed schedule that was conveyed at the meeting. That is why the Board authorized the filing of this lawsuit.

Further your affiant saith naught.

DATED this 9th day of October 2007

Dan Temple
